Company Vision

Orient Tech W.L.L. is recognized as one of the leading destinations for quality tyres and automotive solutions in Qatar. With multiple outlets across the region, the company supplies a wide range of tyres, car batteries, automotive spare parts, and racking and shelving solutions.

We look forward to the opportunity to provide high-quality products and reliable automotive services to customers and business partners.

Orient Tech W.L.L. aims to make an effective contribution to the economic development of Qatar and improve the quality of life for both Qatari nationals and the expatriate community.

Growth & Partnerships

The company is committed to expanding its business through strategic alliances, franchise opportunities, agency representations, and other partnerships that diversify the portfolio, enhance operational efficiency, and maintain the highest quality standards.

International Expansion

Orient Tech W.L.L. is keen to establish and strengthen business cooperation with the U.S. market and explore mutually beneficial opportunities for long-term partnership and expansion.
